

ALL YOU NEED TO KNOW ABOUT FRANCHESKA GUERRERO

A few cute and short facts about myself

WHERE AM I FROM?

I'm originally from San Jose, Costa Rica.

But I've lived half my life in Florida.

WHAT LANGUAGES DO I SPEAK?

I'm obviously fluent in English and Spanish, but currently I'm learning Italian so I can live in Italy.

WHAT ARE SOME OF MY HOBBIES?

I have been learning to play the violin for over a year now. My goal is to play a version of Vivaldi's Quattro Stagione. It's hard but fun work.

I love to read new and interesting books. Lately discovering Joan Didion for the first time has been eye opening.

WHAT'S SOMETHING YOU TELL EVERYONE?

The past semester I've been telling all my friends and anyone I meet to watch "What We do in The Shadows."
